

# Privacy Policy

Last update 08/28/2017

Please read this Privacy Policy carefully before using or accessing GSGTECH (hereinafter referred to as the “**Application**”) or it’s any part or service, including use of website <http://www.gsgtech.com> offering by **GSG Tech Solutions, Inc.**

Our Privacy Policy does not cover information we collect about your Users on your behalf from your mobile and web properties. It is your obligation to provide your own privacy policy or notice to your users.

## ***Information we collect***

We ask to enter certain information such as your website address, username, company name, number of employees, real name, date of birth, address, phone number, e-mail address, credit card information or any other information when you register, make a purchase, use GSGTECH and our website, or if you correspond with us for any purpose. We utilize, render or use your given information and data to operate, maintain, and provide to you the features, services and functionality of the Application. We do not publish or disclose your username or personal information to any third party (application or website) without your permission.

## ***Information we may receive from third parties***

We may receive information or data about you and your website from third parties. For example, if you try to access our Application through a third-party website connection or log-in, for example, through Facebook Connect, linking your account to our application etc., that third party may pass certain information about your use of its service. The information we collect through this channel or procedure could include, but is not limited to, the user ID associated with your account, an access token necessary to access that service, any information that you have allowed the third party to share with us, and any information you have disclosed publicly in connection with that service. You should always review and maintain privacy settings to secure your personal information on third-party websites, services or application before linking or connecting them to the GSGTECH.

## ***Analytics information***

We may directly collect, render and use analytics data, or use third-party analytics tools, methods, procedures and services, to make available services of the Application, to help us and measure traffic and usage trends for the Application. Such tools to collect information and data sent by your browser or mobile device, including the pages you visit and other information that assists and helps us in improving the services of Application. We collect and use these analytics information in aggregate form such that it cannot reasonably be manipulated to identify any particular individual user.

## ***Cookie Policy***

A Cookie is a small piece of data may be sent to you or stored by your browser that uniquely identifies your browser and lets us help you log in faster and enhance your navigation. Cookie may also be sent

and stored on the device or browser of your users that use your Application or services. A cookie may also convey information or analytics to us, the links clicked and other actions are taken to the Application, and allow us or our linked sites to track usage of the Application over time. Cookies may be used on your browser by subsequent visits to the Application. Persistent cookies can be removed with your sole discretion.

### ***Log File Information***

Log file information is automatically generated by your browser or device while you access the Application. Log file information may be recorded automatically by our servers during the use of Application and such logs may include anonymous information such as your IP address and browser detail etc.

### ***Device identifiers***

When you access or use the Application through your devices (including but not limited to smart-phones or tablets), we may access, collect and store device identifiers that are small data files associating with your devices to uniquely identify the devices. Such device identifiers may convey information or analytics to provide the services of our Application.

### ***Location data***

During the use of any service of our Application by or through any device, we may monitor, collect or access location data that may associate using GPS or similar platform for accessing the location of your device.

### ***How we Communicate***

We utilize the information you provide us, such as your email address or phone number, to communicate directly with you. We may send you emails or messages including newsletters, promotional information and special offers. If you do not agree to continue and receive such communication, you have the option to change your account preferences and terminate these services. Your information may also be used to send Application related emails (e.g., reports, account verification, purchase and billing confirmations and reminders, changes/updates to the features of the Application, technical notices).

### ***Sharing of Your Information***

We do not rent or sell your information to third parties and its group companies (including any partners, parents, subsidiaries or affiliates) without your consent, except as noted below:

We may share your information with third-party business partners for the purpose of providing the functionality of Application to you. We provide only limited information to third parties, affiliates or partners reasonably necessary to deliver the services of the Application. This Privacy Policy also governs such third parties or affiliates, or we operate under a similar privacy policy. We or any third party service embedded with the Application will also have access to your IP address. We may disclose your information upon request of law enforcement agencies or departments where we believe that such disclosure is necessary to comply with the law. We may also share certain information such as your

location, browser, and cookie data and other data relating to your use of our Application with our business partners or affiliates to deliver advertisements (“ads”) that may be of interest to you.

#### ***Use of Service type information we collect***

We may collect information using log file information, device identifiers, location data and cookies to:

- (a) store information so that you will not have to provide again during regular use;
- (b) provide you custom, personalized content and information;
- (c) to provide and monitor the effectiveness of our the service of Application;
- (d) monitor aggregate metrics such as visitors information, traffic, user behavior and demographic patterns;
- (e) diagnosing or fixing technology related problems;
- (f) provide you efficiently access your information after you sign in;

#### ***Event of a change of control***

We may sell or transfer our company collectively or partially or any combination of its products, services and assets. Your information such as customer names and email addresses, User Content and other user information related to the Application may be among the products or services sold or otherwise transferred.

#### ***Cross Border Information Policy***

Your information may be processed and stored in the United States or any other country in which we or our subsidiaries, affiliates, or service providers maintain facilities. We may exchange or transfer information that we collect, to affiliated entities, or to other third parties across borders and from your country or jurisdiction to other countries or jurisdictions around the world. If you are located in the European Union or other regions with laws governing data collection and use that may differ from U.S. law, please note that we may transfer information, including personal information, to a country and jurisdiction that does not have the same data protection laws as your jurisdiction, and you consent to the transfer of information to the U.S. or any other country in which we or our parent, subsidiaries, affiliates, or service providers maintain facilities and the use and disclosure of information about you as described in this Privacy Policy.

#### ***We Store and Protect Your Information Keeping Safe***

We take care about the security of your information, and uses commercially reasonable safeguards to preserve the integrity and security of all information collected through our website or Application. To protect your privacy and security, we take reasonable steps (such as requesting a unique password) to verify your identity before granting you access to your account. You are responsible for maintaining the secrecy of your unique password and account information, and for controlling access to your email communications, at all times.

#### ***Warranties and Assurance***

HOWEVER, WE CANNOT ENSURE OR WARRANT THE SECURITY OF ANY INFORMATION YOU TRANSMIT TO US OR GUARANTEE THAT INFORMATION ON THE APPLICATION MAY NOT BE ACCESSED, DISCLOSED, ALTERED, OR DESTROYED. YOUR PRIVACY SETTINGS MAY ALSO BE AFFECTED BY CHANGES TO THE

FUNCTIONALITY OF THIRD PARTY SITES AND SERVICES THAT YOU ADD. WE ARE NOT RESPONSIBLE FOR THE FUNCTIONALITY OR SECURITY MEASURES OF ANY THIRD PARTY.

***Compromise of information:***

In the event that any information under our control is compromised as a result of a breach of security, we will take reasonable steps to investigate the situation and where appropriate, notify those individuals whose information may have been compromised and take other steps, in accordance with any applicable laws and regulations.

***Opting out of collection of your information for Tracking or Advertising***

Please refer to your device or browser's technical information for instructions on how to delete and disable cookies, and other tracking/recording tools. Depending on your type of device, it may not be possible to delete or disable tracking mechanisms on your device. Note that disabling cookies and/or other tracking tools prevents us or our business partners from tracking your browser's activities in relation to the Application, and for use in targeted advertising activities by third parties. However, doing so may disable many of the features available through the Application.

***How long we keep your information:***

Following termination of your User account, we may retain your private profile information for a commercially reasonable time for backup, archival, or audit purposes. For the avoidance of doubt, any information that you choose to make public on the service may not be removable.

**Links to Other Websites and Services**

We are not responsible for the practices employed by websites or services linked to or from the Application, including the information or content contained therein. Please remember that when you use a link to go from the Application or website to another website, our Privacy Policy does not apply to third-party websites or services. Your browsing and interaction on any third-party website or service, including those that have a link or advertisement on our website, are subject to that third party's own rules and policies. In addition, you agree that we are not responsible and we do not control over any third-parties that you authorize to access your User Content. If you are using a third-party website or service and you allow such a third-party access to your User Content you do so at your own risk. This Privacy Policy does not apply to information we collect by other means (including offline) or from other sources other than through the Application.
